JUDICIAL DISTRICTS
in
MINNESOTA

From Minnesota Legislative Manuals

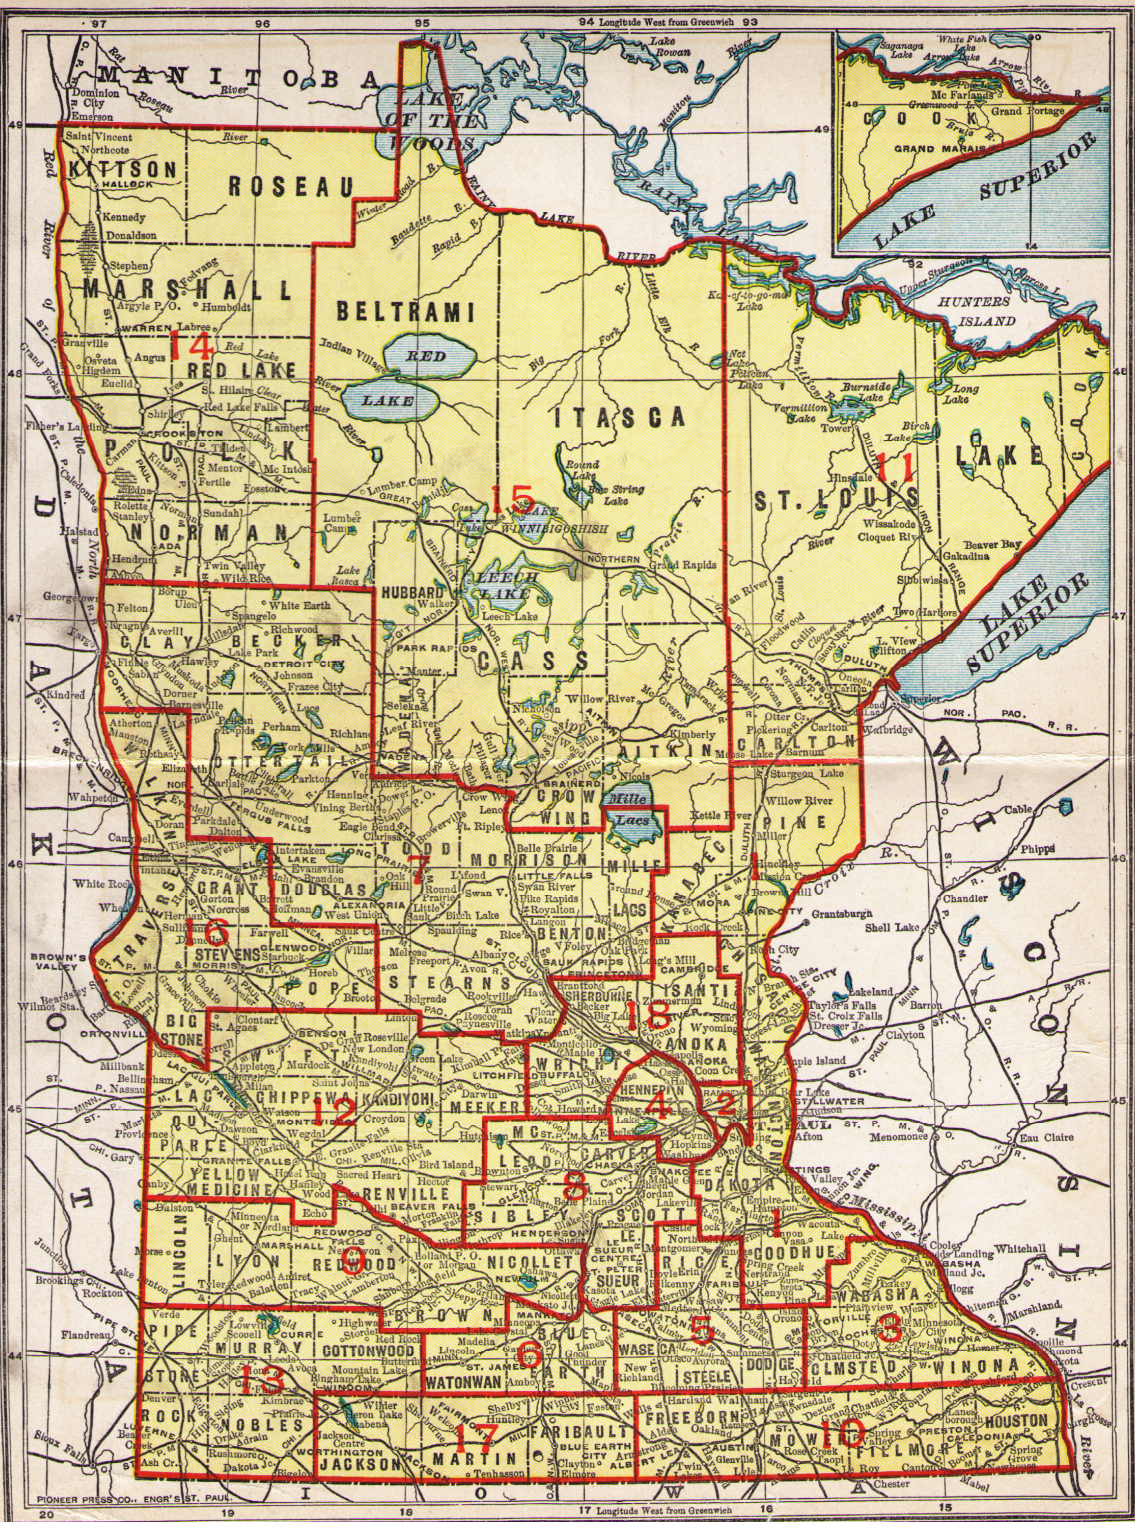

This is a detailed map of Minnesota, showing its judicial districts. The map is divided into 18 numbered districts, each outlined in red. Major cities and towns are labeled throughout the state. The map also shows the state's borders with neighboring states and provinces: Manitoba to the north, Wisconsin to the east, Iowa to the south, and North Dakota to the west. The Great Lakes are visible, including Lake Superior to the north and east, and Lake of the Woods to the north. An inset map in the top right corner shows the state's location within the Great Lakes region. The map is titled "JUDICIAL DISTRICTS." at the bottom.
